

Alexander Tkachenko

Founder and CEO

Alexander is a serial entrepreneur, founder and general partner of 2be.lu VC fund and a business angel. He has made successful investments in 16 companies focused on the sharing economy, artificial intelligence and blockchain technologies. Alexander launched a thriving USB/memory card distribution firm and helped his wife set up a multi-family business in Luxembourg. Previously he launched TDK's and Dentsu's business operations in Russia. He is a member of Enterprise 100, a London Business School angel investor network. A former journalist, he holds MBA degrees from Columbia University and the University of London.
